## Patents

Patents 1 - 10 on **survey dynamic response expiration date** (0.04 seconds)

## List view

[Cover view](#)[Portable device for the survey of the breathing ventilation and of the ...](#)

US Pat. 4858832 - Filed May 13, 1965 - COGMED S.r.l.

For momentary measuring QUICK analyzers are 10 used the **response** time thereof... the sampling flow shall be proportional to the **expiration** one so that the

...

## Sort by relevance

[Sort by date \(new first\)](#)[Sort by date \(old first\)](#)[\[APPLICATION\] Methods and systems for integrating dynamic polling mechanisms into software ...](#)

US Pat. 10366232 - Filed Feb 13, 2003 - BrandFact, Inc.

[0073] **Expiration date** of poll (if present), [0074] Other similar information.... 5, the poll processor 40, upon receiving the **response** message (step 200, ...

## Any status

[Issued patents](#)[Applications](#)[\[APPLICATION\] Method and system for providing configurable application processing in ...](#)

US Pat. 11210512 - Filed Aug 24, 2005 - MCI, Inc.

5 is a diagram of a dialog providing a speech-enabled web **survey** ... [0068]Once a user 111 establishes a connection to a voice browser 123, in **response**,

...

[Establishing dynamic communication group by searching implicit information ...](#)

US Pat. 7395316 - Filed Jul 16, 2003 - SAP Aktiengesellschaft

... the data you 5 already have"), and by improved **survey response** management.... The DLM module 70 may permit an enterprise to create and save a **dynamic** ...[\[APPLICATION\] Web-based feedback engine and operating method](#)

US Pat. 10416737 - Filed Nov 24, 2003

[0046] In another embodiment of the invention, the system enables the creation

of **dynamic** Web surveys. A Web **survey** is composed of one or more ordered list ...[\[APPLICATION\] System, method and computer program product for presenting, redeeming and ...](#)

US Pat. 10861684 - Filed Jun 4, 2004

**Dynamic** incentives, created for consumers that take specific actions (such ...Each cross-sell incentive may have the same **expiration date** and time as the ...[\[APPLICATION\] Method and system for conducting an on-line survey](#)

US Pat. 11004074 - Filed Dec 3, 2004 - Dynamic Logic, Inc.

Next, at step 143, if the browser 26 finds no cookies that correspond to the on-

line **survey**, it sends a negative **response** to the **survey** logic program 40, ...[\[APPLICATION\] Comprehensive, fully integrated online promotion program for goods and/or ...](#)

US Pat. 9852214 - Filed May 9, 2001

... real world event occurs after **expiration** of said prediction entry timeperiod 6. ... and in **response** to completion of said **survey**, receiving a reward.

...

[\[APPLICATION\] Methods and systems for programmably generating electronic creatives for ...](#)

US Pat. 10681476 - Filed Oct 8, 2003 -

This periodic regeneration allows the creative to be **dynamic**, that is, to changeover time, for example in **response** to updated proprietary and/or publicly ...

(APPLICATION) [Systems and methods of network operation and information processing ...](#)

US Pat. 11387651 - Filed Mar 22, 2006

Location ID, Local Language on Computer, Operating System/Device Specific  
Information, Next Requested Home Page, Survey Results, Date and Time Information
